

CHURCH ENTRANCE

The construction area has relocated and the Fellowship Hall and Education Building are no longer accessible. The temporary main entrance is at the new Activity Center, indicated by an "A" on the map. Access to the Administration Building will be through the temporary main entrance, down the Activity Center hallway and through the double doors into the Administration Building. The double doors in the back of the Administration Building, off Paradise Valley, will continue to be unlocked for deliveries, short-term parking, and youth drop off/pick up, indicated by a "D" on the map. Access to the Sanctuary will be through the temporary main entrance, down the Activity Center hallway, out the doors into the courtyard to the corner door at the west entrance, indicated by an "S" on the map. The sanctuary entrance off Paradise Valley remains unchanged. Please look for signs and refer to the map to assist you during the construction period.
